Eligibility is based exclusively on academic qualifications.
An individual is eligible to take the examination if he/she has:

A bachelor's, master's, or doctoral degree from an
accredited institution of higher education;
AND one of the following:

- An official transcript that clearly shows a major in
Health Education; Community Health Education; Public
Health Education; School Health Education,
OR
 - An official transcript that reflects 25 semester hours
(37 quarter hours) of course work with specific preparation
addressing the following *seven (7) areas of responsibility*:
1. Assess Needs, Assets and Capacity for Health Education
 2. Plan Health Education
 3. Implement Health Education
 4. Conduct Evaluation and Research Related to Health
Education
 5. Administer and Manage Health Education

6. Serve as a Health Education Resource Person
7. Communicate and Advocate for Health and Health
Education.

90-Day Option

This option is offered to students who will be graduating
within 90 days of the CHES exam. The student must
submit an official transcript showing a minimum of 25
semester hours relating to the *seven areas of
responsibility* and written verification from an advisor
confirming completion of all degree requirements within
90 days of the examination date.

Benefits of Certification

1. Establishes a national standard.
2. Attests to the individual's knowledge and skills.
3. Assists employers in identifying qualified health
education practitioners.
4. Conveys a sense of pride and accomplishment in
your profession.
5. Promotes continued professional development.
